PROF. SMITH'S LECTURE ON 'HURSDAY able representative in Congress from the Hen Evening.—The twelfth and concluding lect rederson district, will probably not be a candioof Dr. Smith's course was delivered Thursday date for reelection. He submitted his claims to evening on the subject of "Combustion." It a convertion, held at R msey, a few days ago, in ouths in each year from 1796 to 1855. It is now the price of flour in this city for the first mouths in each year from 1796 to 1855. facts of both scientific and practical interest. Its nominee. Judge Campbell, of Hopkinsville, tions of the market, omit a resume of the lecture as prepared for to-day's paper; but we make room to say a few words of sterling integrity in politics and possesses stance. brought to a close. Prof. Smith is the first per- understand that "Sam" has no objection to giv taining popular interest in a protracted series of the Tenth District.—The Democrats of the Tenth sci nigic lectures. His audiences were large district held a convention at Covington or from the beginning to the close of the course and composed of the very elite of Lousville. The subjects which he discussed were among the wind the control of the course and composed of the very elite of Lousville. Wm. O. Butler was nominated. The control of the course most interesting and attractive in the whole tion had no definite assurances that Gen. E which they were illustrated were brilliant. that he would not accept it varied, and performed with singular dexterity and skill. In conclusion, we are satisfied we A committee of the New Jersey Legisl but express the common sentiment of all who ture have addressed a letter to Commodore Vanfollowed Dr. Smith through his course when derbilt, of steam-yacht roto rety, naming him we say that the evenings they passed in his for the Chief Magistracy of the nation, and oratory they count among the most pleasant | calling upon him for an expression of his views pon national affairs. The Commodore replies in

GRAMMAR School Examination .- The pullarge dailies, in which he declares that he is not pils of the female grammar school on Chestnu | 10w and never has been, in any degree, desire reet opposite the City Hospital were examined of political or personal distinction, and that he yesterday afternoon. The principal teacher as so constituted that he cannot well appreciate thus school is Miss Helen J. Clark. It has a the pleasures which all ure those who make the was more than sustained yesterday. We was their exertions. But, rather than have the ofnever before present at so successful an examinor go a-begging, the Commodore would take mation in a public school. It perfectly dehigh - it to accommodate his friends. ed all present. The exercises were in singing, reading, spelling, definitions, grammar, mental SCPPLV of WATER FOR THE CITY.—We geography, history, algebra, and publish the following memorial to the city cou geometry. We heard the examinations in all cil asking that the city of Lo isville shall sub but geometry. The young misses did unsurpas-singly well in each and all of the branches, and about to be organized for the purpose of erect their performances in algebra were truly extraordinary. Girls of eleven or twelve years ing this subject more fully at another time solved problems with the utmost facility and ra- meanwhile, we merely have to say that we earpidity which would have perplexed young men nextly desire that the city shall become a sto

A very sugular case was brought before To the General Council of the City of Louisville: A very singular case was brought before the city court yesterday morning. A letter was dropped into the post-office without direction. The postmaster opened it to ascertain its intended destination and of course had to read it. This letter was written to Capl. Rowe, of Mi. Hope, Texas, and the writer of it gave an account of his trip through several Sizes to this city—h. It is ness—staing that he had been dealing in current money in Chicago, indianapolis, Citic na i, and Louisville; that he had quit drinking, swearing, and wome; that, as far as Montgomery, Ala., he passed under the name of Cash, and subsequently Cartir. He requests Capl. Rowe to write to him and if he needs as-Capt. Rowe to write to him and if he needs aswishes no one else to klow his secret. He di-

woodsworth. Louisville, Ky." He prefers to reside in a city, as strangers can live more inobserved. In this letter was enclosed another, addressed to Mrs. Carter, which was forwarded.

The contents of the letter being communicated to the police, a strict watch was kept for the person who should call for the letters of Chas. Woodsworth. When he called for their he was arrested. One of the letters was from Sam. R. we, written at Mt. Hope, and postmarked Lexington, Polk county, Texas, N. v. I. He addressed Woodsworth in regard to the feeling existing against him there, a d of the report that Dr. H. W. Carter was drowned from a Mississippi steamer, which appeared to the stock in an amount not exceeding \$300,000. The object of this perturbation is to request your honorable bodies to pass for the principles. ed from a Mississippi steamer, which appeared purpose, originally in the New Orleans Delta, of the 1st.

The be-of-s accruing to those cittee November, and was copied into the Galveston have cors ructed water works—from, trst, to sect income in the form of reals for the use

Carter, to Woodsworth, and she addresses him as cous n, but she is doubtless his wfe. She peaks of business matters, and a ludes to pretty much to the same subjects as the letter of

The accused admitted that a m n had grossly out killing him. He was held under heavy many enemies. It could not be ascertained the city at a cost not exceeding eight dollars to equally u certain whether the offense committed by Car er, to revenge an insult to his wife of so which should receive the earnest attention of his counsel and stated in court by the latter.

was a felony in Texas. We do not believe that if the act had been committeed in Kentucky.

The act had been committeed in Kentucky.

Sknown that, under the present system, the sum of \$40,0001 were dug at the expression and the control of the city is known that, under the present system. for an isst such as is alleged by Carter, a jury could be found that would return a verdict of gy. Carter's atatement must however be taken with some degree of allowance, as he admits that he is under heavy bonds.
